

Eoi invited for empanelment of Academicians/Experts

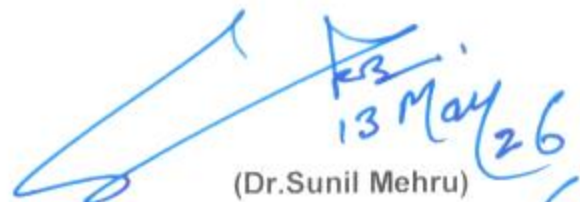

For live lecture delivery

Consortium for Educational Communication (CEC) is an Inter-University Centre established under UGC in 1993. CEC is leading institution in Digital Education for undergraduate and postgraduate levels in the country.

CEC telecasts educational videos/ programmes 24/7 on its channel dedicated to higher education, called 'VYAS'. It carries variety of programmes covering diverse disciplines like Arts, Literature, Language, Social Sciences, Natural & Applied Sciences and Management & other Professional courses which help learners across the country. Also CEC conducts 4 live transmissions a day where a 50-55 minutes' lecture is divided into 2 segments (25-30 minutes each) on varied subjects with a small break in between. These live transmissions take place from Monday to Friday from CEC Gurukul Studios and are subsequently uploaded on YouTube with a philosophy to provide quality content across the globe to access educational material anytime and anywhere.

CEC invites expression of interest (EOI) from eligible faculty/experts under four streams i.e.-Arts/Language/Literature, Management & Professional Courses, Sciences/Life Sciences and Social Sciences to deliver live lectures on VYAS higher education channel

Interested Experts/Academicians may please fill in the form to submit their EOI with detailed CV for live lecture delivery in required format attached here with ([DownloadPDF File](#)) or ([Download MS-Word File](#)).
