

## Glossary

### **Aesthetic**

concerned with beauty or the appreciation of beauty.a set of principles underlying the work of a particular artist or artistic movement.

### **Prairie Style**

Prairie School style architecture is usually marked by its integration with the surrounding landscape, horizontal lines, flat or hipped roofs with broad eaves, windows assembled in horizontal bands, solid construction, craftsmanship, and restraint in the use of decoration.

### **Skylight**

Skylights are light transmitting fenestration (elements filling building envelope openings) forming all, or a portion of, the roof of a building's space for daylighting purposes.
