

Glossary

Precipitation – The rain level in an area.

Nomad – People who do not have a particular place to live, and keep moving from one place to another making their living.

Kaccha - A Kaccha house is a building made of natural materials such as mud, grass, bamboo, thatch or sticks and is therefore a short-lived structure.

Pukka - A pukka structure is made from materials resistant to wear, such as stone or brick, clay tiles, metal or other durable materials, sometimes using mortar to bind, that does not need to be constantly maintained or replaced.
