

## **GLOSSARY**

### **Designation:**

Legal protection through passage of a bylaw (local or regional government) or Order in Council (provincial). Designation offers long term protection and allows regulation and control of alterations and demolition.

### **Heritage Area:**

A synonym for a designated historic district or conservation area which denotes a neighbourhood or district unified by a similar use, architectural style and/or historical development.

### **Heritage Resource:**

Refers to an artifact, building, site, or other feature that has heritage value or character.
