**Paper No.: I (Part-B 1)**

**Topic No. A (6)**

**Topic Name: Handball**

**Lecture No.: 42**

### **Lecture Title**

#### **Handball - Rules and Regulations**

#### **F.A.Q's**

**Q1. Who inspects the playing halls and check event's organisation?**

**A1.** IHF representatives shall inspect the playing halls and check event's organization, on dates proposed by organiser. Special attention will be paid to flooring, lighting and safety area.

**Q2. How is the game timing recorded in the handball?**

**A2.** An electronic clock, operated from the match management table, shall keep the official time. The clock must have an automatic end signal. A reverse clock showing seconds and minutes shall be used should the official clock not be operational.

**Q3. To whom does the doctor has duty to give medical assistance ?**

**A3.** The doctor has to be assistance to-

- (a) The team physician in emergency cases
- (b) Spectators who need immediate medical treatment
- (c) IHF officials who need immediate medical treatment.

**Q4. How the referee can be removed?**

**A4.** One or more players may request that a referee be placed. The decision to do so is at the sole discretion of the tournament director or chief of referees. Special consideration should be given to such a request if all players are in agreement.

**Q5. What is late start penalty?**

**A5.** If a player is not ready to play on time, the opponent shall be awarded one point. The opponent will then be awarded one additional point for each full minute of delay of game upto 10 minutes. The match then shall be forfeited.
