History of Football

Summary

Football is of incredible importance to not only to English public but to most of the Asians too. England is home to the oldest association football clubs in the world .it is one of the favourite game of English people. The importance of football is seen in at a large number. It has an important place within many countries especially English national life. The sport is almost always referred to simply as *football*; it is unusual for it to be called *soccer* and it is only referred to as "association football" in very limited circumstances
