Classification of Advertising

Part-1

## Glossary

**Consumer Advertising:** This type of advertising is directed to the ultimate consumers of the consumer products, i.e., the individuals, who buy, or, use the consumer products, or services, say, for example, toilet soap, toothpaste, toothbrush, tea, textiles, etc., for themselves and for their families.

**Industrial Advertising:** This type of advertising is used by manufacturers and distributors of industrial goods

**Professional Advertising:** It is directed at professional like doctors, professors, engineers and others, who are expected to recommend, prescribe, or, specify the advertised products to ultimate consumers.

**Print Media Advertising:** The print media consists of newspapers, magazines, journals, handbills, etc. No newspaper or, journal, today, can survive without advertising revenue.

**Outdoor Media:** This include posters, neon signs, transit, point of purchase (POP), etc. Outdoor advertising can be a good supporting media to other forms of advertising.
